

## REMARKS

In the above-identified Office Action dependent Claims 2, 7 and 8 were identified as being allowable if rewritten so as not to depend from rejected claims. In this regard, Claims 2, 7, and 8 have been rewritten in independent form to include all of the requirements of Claim 1 from which they depended, and all other claims have been cancelled.

Accordingly, allowable Claims 2, 7, and 8 are the only claims now pending in this application, wherefore a formal Notice of Allowance is respectfully solicited.

Applicants' undersigned attorney may be reached in our New York Office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,
